

## PASTORAL RECOMMENDATION FORM

Greetings!

A family in your congregation has applied for acceptance into Life Christian Academy — Emmaus (Emmaus.) Emmaus is a K-12 school that teaches and trains its students about the things of heaven and the things of earth. An essential part of our school's purpose is that we prepare our students to serve in their church. For this reason, we require all families attending Emmaus to be active members of a local church. This means they have made a local church their family home church, and they are supporting your church through attendance, serving, and giving.

We ask you to complete this recommendation to complete their enrollment at Emmaus. We thank you for taking the time and we hope these students become a real blessing to your congregation. As a heads up, we are going to encourage our families, including students, to support your church functions, be available to serve in ministry including caring for your facilities, volunteering for events, helping to teach and to be available to work where needed. If you have any questions, please call Deb White at 602-575-6786.
